

Information for Exhibitors

The 2017 International Union of Forest Research Organizations (IUFRO) All-Division 5 Conference will be held in Vancouver, British Columbia, Canada from June 12 – 16, 2017. The conference is co-organized by IUFRO Division 5, the Faculty of Forestry at the University of British Columbia, the Society of Wood Science and Technology (SWST) and FPInnovations. We anticipate attendance by more than 600 researchers from around the world.

The Organizing Committee of the 2017 IUFRO All-Division 5 Conference is pleased to offer exhibitors space for the duration of the Conference. The international event will be attended by researchers and wood industry professionals, hence offering great organizational exposure, networking and collaboration opportunities with leading scientists, industry, civil society, and government representatives from around the world.

The Conference format will provide ample time for networking and socializing, including targeted time for visits to the exhibitors' space. The Tuscan room at the Pinnacle Hotel Vancouver Harbourfront offers an abundance of natural lighting and relaxing décor. There will be a food station at all times in the room that will encourage delegates to join and mingle during session breaks. We offer versatile equipment to suit any exhibitor's needs and budget, and are happy to discuss further options for customization. Materials handling, shipping, and customs clearance will be managed by our contracted service provider at competitive pricing and discount.

Exhibitor's badge	Cedar	Maple	Oak
Price list	\$2,000	\$1,500	\$1,000
SPACE
